Silicon Youth fest

Inter-College Youth Festival

An Inter-college youth festival was conducted on the 16th February, 2020 as part of the EBSB programme to celebrate the cultural collaboration between the various states of the Nation. As a part of the programme three colleges namely Silicon, C.V Raman and Trident from Bhubaneswar participated in the FEST. There were cultural renditions in the fields of dance, music, song and instrumentals. As part of the state pairing with Maharashtra there were dance performances in Lavani too.
