Academic Year 2018-2019**

# One Day Workshop on
# "Artificial Intelligence and Its Applications"

**Date:** 30/08/2018 (Thursday)

**Time**: 10:00 am to 04:00 pm

**Place**: Presentation Hall, Fourth Floor, Phase I, ACE

**Name of the Speaker: Mr. Sarang Kulkarni, Electronics Department, ACE.**

A **Workshop** on **"Artificial Intelligence and Its Applications**" was organized by **Electrical Engineering Department** dated **30th August 2018** from **10:00 am to 04:00 pm**. The resource speaker was **Mr. Sarang Kulkarni, Assistant Professor from Electronics Department, Atharva College of Engineering, Malad**. The workshop was arranged only for **TE students** of Electrical Engineering Department, ACE.

The objective of organizing this workshop was to make students aware of the knowledge of artificial intelligence, its importance and its various applications. The motive of organizing this workshop was to provide information regarding various types of machine learning process, about artificial neural network, Fuzzy Logic and also various examples of basic functions available for programming in MATLAB Simulink to make the system artificially intelligent which will help students in their mini as well as BE projects. There was a question-answer session at the end in which students participated, raised their doubts and discussed.
