**WRITE-UP ON INDIAN FOOD FESTIVAL AS A PART OF EBSB
IIT GANDHINAGAR**

Food has always been one's source of happiness. A country like India is the best place to savor some delectable dishes because of the country's diverse culture that gives people a range of tastes on to their plates. In fact, there is not a better way to experience the soul of India than trying out its variety of food on offer. IIT Gandhinagar celebrated the Indian Food festival with great glamour and fascination. As a part of the food festival, the annual winter carnival, "Winter Carnations" was hosted at the campus that offered different cuisines of different states of India along with music and art performances. The theme for this year's festival was "Through the Looking Glass". The IITGN community including staff, students and faculty actively participated in this food festival by setting up stalls, offering varied cuisines of Indian food culture. The event witnessed a large participation from entire community.
