

## Online Power Point Presentation Competition on the occasion of National Science Day

An online Power Point Presentation Competition was organized by Department of Science & Humanities of OmDayal Group of Institutions on the occasion of National Science Day 28.02.2022. By celebrating this day as National Science Day, we paid our dignity and respect to the famous Indian Physicist Sir C.V.Raman for his contribution in the field of Science. The main theme was The Integrated approach in Science and Technology and the objective of this program was to ignite interest in science, inspire all people, especially students, to think new experiments, and make them aware of the latest developments in science and technology. The Vice Principal, Head of The Departments and the faculty members OmDayal Group of Institutions joined the program. At the very beginning of the program students were introduced to "Ek Bharat Srestha Bharat (EBSB)".

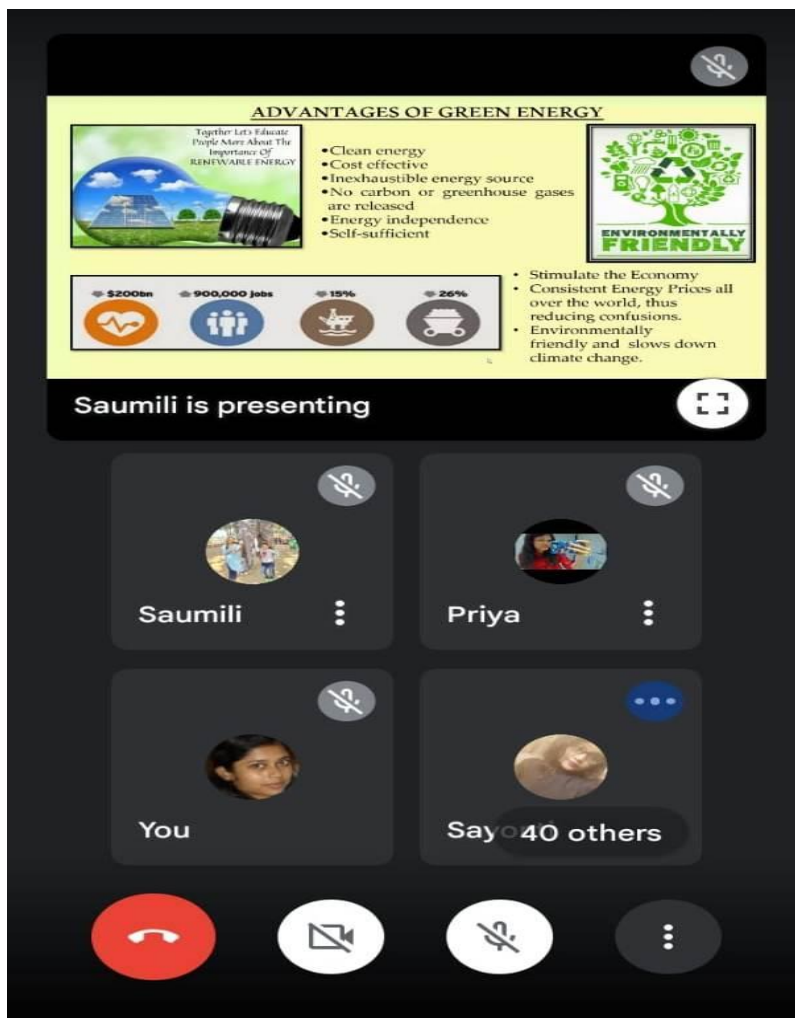

Poster of Online PPT Competition

Prior to the program the department released a poster for the online competition two weeks before. 45 students participated in the program and seven teams were constituted of the students for the online PPT competition. They gave presentations on various topics like Green energy, Global warming and Sustainable development, Electric Vehicle, Solar Tracking system, Touch screen technology etc. A panel was there to judge the presentation and after the presentation the panel announced the best team. The three hour long program ended with the wish from the Head of The Department Department of Science & Humanities of OmDayal group of Institutions to all the science enthusiast to enhance their scientific zeal.
