Folk art is one such element; it is an aesthetic manifestation of a distinct cultural essence.

	<ul style="list-style-type: none"> ❖ A painting is yet another important art that Arunachal Pradesh is proud of. A special type of painting called Tangkha is prevalent in Buddhist dominated areas of the state like Tawang, West Kameng, and Upper Siang Districts. The motif of these paintings is mainly a religious subject or that of a traditional value. ❖ Meghalaya is well represented in the art works which includes paintings of landscapes, churches, foot bridges, flora, open fields and more. ❖ Students of MIET have participated in flock art event to make beautiful art work and sketches to depict the beauty and rich culture of Arunachal Pradesh and Meghalaya under EBSB programs.
