### **Brief on Jhumar Dance performed by students of JNV Jaintia Hills, Meghalaya**

Jhumar is a traditional folk dance of Bihar, which is performed by the rural women at the advent of Spring season. When Spring arrives, nature blossoms into a riot of colour and fragrance. The people of this region welcome Spring with vibrant songs and dances. Jhumar is one such dance. This rhythmic dance form is an expression of the joys and sorrows of the people. Spring descends on earth with its beauty and spreads joy and happiness all around. The women dance with gay abandon. The men folk are invited to join in and they usually provide the musical accompaniment.

### **Report on Jhumar Dance performed by students of JNV Jaintia Hills, Meghalaya**

As per the instruction from the Samiti, it was decided to train the students in the Jhumar Dance of Bihar. The task of selecting the students and giving them training in the dance was given to Smt. Komal Kumari, Music Teacher of the School.

The selection of students was done and they were trained in the dance. The whole process took about 10 days.

The performance of the dance was done on 6<sup>th</sup> April at 3:00pm in the afternoon. All the staff members including the Principal and about 300 students of the school witnessed the performance.

This report is being submitted to you for your kind information.
