

# EBSB ACTIVITY

## Directory of Names and Surnames

Quarter 04<sup>th</sup> - August 2018- October 2018

The EBSB activity assigned to JNV Kottayam for the 4<sup>th</sup> quarter is the preparation of the directory of the surnames of the persons of both the states concerned i.e., Kerala and Uttar Pradesh. We have selected twenty students from both 9<sup>th</sup> and 10<sup>th</sup> class including migrated students from JNV Agra, UP. They were divided into four groups and asked them to prepare the list of eminent personalities in various fields in both states. The personalities and the surnames are related to the places, caste, house name, profession, institution, parents and grandparents name etc. This activity provided an opportunity to the children to understand the diverse culture of India. The contributions of some well-known personalities were also discussed in the groups. This activity has been completed with the guidance and support of Mrs Jiji G, PGT Hindi and Mr. A Surendran, PGT History.
