“CONDUCT OF FOLK SONGS EVENTS”

As per the directions received from NVS, Headquarters, Noida a programme to promote the folk culture of India was initiated at JNV Farour, Distt Fatehgarhsahib, Punjab.

The aim of this programme was to create appreciation of the diverse folk flavours of the country and celebrate the uniqueness of our nation.

To sensitise the young learners about the richness of our cultural heritage, folk songs of neighbouring states were presented on November 15, 2017. The nightingales of the Vidyalaya serenaded the audience with a powerful rendition of “ Hind Desh Ke Niwasi-----“ . The elegant song underscored a very valuable lesson in promoting diversity in a unified nation.

On December8 , 2017, the migrated students from JNV Nud (Jammu) shared with their host Vidyalaya, the sweet melodies of their native state. The laments of young girl pining for her loved one as he served his motherland at the frontiers touched a chord with every soul.

The concluding event took place on 30 January 2018 where the robust beats of rustic Rajasthan reverberated the Vidyalaya halls. The young students of class VIII gave a powerful introduction of this land of the brave.

It was an enlightening experience for the learners of the Vidyalaya to have a connect with the gems of regional folk cultures.
