6. Report of the event

Twelve students comprising 8 boys and 4 girls (migrated from JNV Jaunpur,UP) were taken to nearby school (Panoor UP School, Kannur) for a cultural interaction under the leadership of two teachers on 15 Dec 2017.

The host school arranged all the facilities to welcome and for an interaction session between students from Hindi speaking area and native students. The programme includes a formal inauguration by BPO of Koothuparamba and the gracious presence of some officials from educational department. They emphasized on the need of cultural interaction between two states and welcomed the guests. This session was followed by a face to face interaction between malayalee students of Panoor UP school and migrated students of JNV Kannur.

Beyond the language barrier, both group of students communicated well and they could present their artistic skills like poems and songs.

Migrated students expressed their understandings about Kerala and its culture. They also gave a short description about their state and its climatic and cultural differences.

After this program of about three hours, everybody enjoyed a nice typical Kerala lunch and visited the different departments of the same school. Within this short time the students could develop a good relation between the groups.
