Events which were conducted Under Ek Bharat Shrestha Bharat – 2nd
Quarter Activity (Folk Song)

“Folk Song”

Twelve states were participated in the Group Folk Song. AS we all have some fond knowledge that india represents a multi cultural, individual and its represents into a single unity in diversity. All states are different, but one thing their heart and soul is one Indian. There are various languages, castes, creed and religions, but ultimately we all are Indians. That's why india is unique whereas different colour, region and state, peoples have one Indian nationality. In fact this is philosophical truth.
