Central Government of India has initiated a Project of Ek Bharat Shreshth Bharat through MHRD. The State of Gujarat is paired with the State of Chattisgarh. Under this initiative, paired states are to exchange their academic and cultural activities to make people aware about another region of the Nation. Shantilal Shah Engineering College, Bhavnagar inaugurated the EBSB Club on 13th February, 2020 in presence of a senior officer, Mr. Dinesh Bandiwadekar and Mr. Urvish Shah, a senior Manager from ISP (International Service Providers) Co., Surat, Principal, Dr. Mangal Bhatt and other senior faculties and students of the Institute. The Function was held in the Seminar Hall of the Administration Building of the Institute at 11am.

Prof. Ashish Prajapati, Nodal Officer of EBSB activities in the College, welcomed all formally and he briefed the audience about Ek Bharat Shreshth Bharat initiative. Sir also discussed tentative planning of activities under this Project. Prof. Prajapati made an appeal to the students to participate in various activities under this Project. Mr. Bandiwadekar also opined that this Project will be a great help in making India one and will provide the flavour of the Nation to each other. He wished best for the Club and expressed his gratitude for making him part of this Inaugural function. Principal, Dr. Bhatt expressed hope that students of the College will make this Project successful with their enthusiastic participation. Prof. Anand Kalani and Prof. Dhwani Vaishnav will coordinate all the activities under this Project at the Institute.

Nodal Officer: Prof. Ashish Prajapati – 9427491934 - ebsb.ssec@gmail.com
