An essay writing competition on “culture & tradition of India” has been conducted to elicit the knowledge of the students about different types of communities, region & diversity in India. The students participated very actively and expressed very exhaustively in 20 minutes of time. Totally 28 students took part in the competition. Language & history teachers evaluated the scripts and gave valuable suggestions.

Positive feedback received from students and they felt very fortunate to live in a place with galaxy of culture and traditions but living as one Indian-community.

Smt. Ranjitha (Vice-principal) inspecting the competition.

Dr. A Mahesh Kumar (Physics faculty) Advising the students.
