Report on EBSB Awareness Program

The EBSB awareness program was arranged by Government Engineering College Rajkot on dated 15th February 2020. The students are inspire and learned about over paired state Chhattisgarh. The awareness program begins with the speech delivered by Prof. Pravin Mandanka in a class with strength of about 20 students. Prof. Pravin Mandanka covered the topics related to Chhattisgarh such as political structure, demography, culture, various dances, minerals, and industries. The students were very curious about the topic and new learning about our paired state. The second speaker was Prof. D.R.Keraliya which is Institute coordinator. He gave detailed information about the Ek Bharat Shreshtha Bharat (EBSB) program launched by RUSA/MHRD and how this kind of program will help to strengthen society. Principal Sir congratulate the team of EBSB for successfully carrying out this activity.
