Brief Report : Plastic Wastes removed from Campus

Swach Bharath activities were began all over the country on October 2, 2014. A lot of activities to make India clean were going on in every nook and corner of the country. In our campus also a number of activities were conducted since its introduction. In association with National Service Scheme unit of the college a plastic waste collection was carried out in the campus. All the thrown away plastics in the college campus was collected by the club members.
