**Consolidated Report**

Awareness Programme on Prevention of HIV/AIDS was organized by NSS Unit, S V Engineering College, Tirupati and was all supported by Venkatapuram Gram Panchayat Office held on 1st December, 2019 on the eve of WORLD AIDS DAY with the theme of “Ending the HIV/AIDS Epidemic: Community by Community” at the College Seminar Hall followed by the rally at adopted village “Annaswamypalli”.

The welcome speech was given by Dr. K. Sujan Kumar Associate Professor & NSS Programme Officer thereafter delivered a lecture among the students and made them aware on HIV/AIDS issues and also taken the Pledge against epidemic from the gathering. After the lecture, students and faculty took part in a rally and shouted slogans like ‘Mosquito bite cannot spread HIV’, ‘sharing cloths cannot spread HIV’ etc.
