Thanks Letter

Date: 13th March, 2020

To,
The principal,
B.P.T.I. Engineering college,
Bhavnagar.

Respected Sir,
Jay Vigyan,

The Kalyan Regional Community Science Centre (KRCSC) works with a broad vision and aim of taking science to people and bringing people to science. Our mission is to create interest, enthusiasm and awareness in science including mathematics, by working for students, teachers and common public. We motivate students and teachers to inculcate and bring out creativity through informal and non-formal programs. Every opportunity is explored to interact with them to discuss matters and issues related to Science, Technology and our development.

In order to enhance the scientific knowledge, skill and entrepreneurship, KRCSC works with a broad vision and aim of taking science to people and bringing people to science. Aim to create interest, enthusiasm and awareness in science including mathematics, by working for students, teachers and common public.

KRCSC, Bhavnagar organize a Lecture on ‘KOVID-19’ publically known as CORONA VIRUS for the college students on the date 13th of March 2020 at B.P.T.I. Engineering college, Bhavnagar. We all know that corona is a most dangerous, harmful and contagious virus spreaded disease. For safety and protection from corona Dr. Pranav Shah (Ph.D., M.D.) share their knowledge and mandatory information about corona, how it spreads, and important steps to get rid of this evil virus.

The Kalyan Regional Community Science Centre thanking to The principal of B.P.T.I. Engineering college, Bhavnagar and all staff and students for supporting this noble works for society.

Thanks again for this kind of support and hope we will get more support from your side in future.

Sincerely,

(Dr. Bhavesh Bharad)
Chairman,
Kalyan Regional Community Science Centre,
Bhavnagar.
