**Mysuru market** is the Mysore's first online supermarket. This was started because of covid-19 lock down, to provide a essential daily needs for the mysuru citizens at their doorstep within 2 hours after their orders has been placed.

Delivery boys are providing products by wearing mask, gloves and sanitizing their hands as well as customer’s hands when they are receiving their order at their doorstep. We are getting all goods from the local vendors of Mysuru by providing market for them.

It was launched on April 2, it has reached 1500+ deliveries till today. Customers are very happy about our clean service. mysuru market is ISO certified (quality assurance test).

We are very happy to provide a service for the mysuru people at this critical condition and making them to be safe in their homes.

**Mysuru market** is a product powered by Dream Buzz solutions
