Action Report

Activity: Language Learning notice board on 30/01/2020

The students and staff of EBSB Club and college have actively participated in this programme. In order to learn and know the language of Haryana state a separate notice board is kept and named it as the language learning notice board. The notice board was kept in college open place in the vicinity of all the students We displayed the simple and daily used words/sentences on this notice board in both Haryanvi and Hindi languages. So that each and every student can learn the words/sentences and compare them with Hindi language. After a week the new words/sentences were displayed. It is planned to continue the same for about 2 months and planned to organise the elocution competition purely in Haryanvi language.
