7. Citizenship Training Camp (12th to 16th November, 2019)
The images show a group of people engaging in outdoor activities, possibly as part of a workshop or training session. The setting appears to be a natural environment, with trees and vegetation in the background. The group is dressed in traditional attire, suggesting cultural or traditional activities. The scene also includes a stage setup with a banner reading "Leadership Training Camp," indicating a formal or organized event focused on leadership development. The participants are engaged, with some individuals demonstrating activities on the stage. The environment suggests a combination of learning and community engagement.
