The EBSB Club of Kongu Engineering College is organized an **"Environmental Science online Quiz"** - National Level Quiz Competition for students in view of **World Environment Day** on June 5th 2020. This Quiz competition create an awareness on Environment and its sustainability. We encourage all under graduate first year students from different disciplines from various institutions like IIT/ NIT/ Engineering/ Arts & Science/Universities etc to participate. We received overwhelming (more than 1500) responses from the students. This shows now a day's people receive more attention towards Nature and its benefits. This online event deals the importance of Environment, Biodiversity and its conservation, Green House effects, E-Waste and its Management.
