REPORT ON EBSB CLUB INAUGURATION

INTRODUCTION

India is a unique nation, whose fabric has been woven by diverse linguistic, cultural and religious threads, held together into a composite national identity by a rich history of cultural evolution, coupled with a rousing freedom struggle that was built around the tenets of non-violence and justice. The spirit of mutual understanding amidst a shared history has enabled a special unity in diversity, which stands out as a tall flame of nationhood that needs to be nourished and cherished into the future. Time and technology have narrowed down distances in terms of connect and communication. In an era that facilitates mobility and outreach, it is important to establish cultural exchanges between people of different regions, as a means to further human bonding and a common approach to nation-building. Mutual understanding and trust are the foundations of India's strength and all citizens should feel culturally integrated in all corners of India. Students from the north-east, for example, should not feel like 'strangers in a strange land' when they arrive in Delhi. The idea of a sustained and structured cultural connect between denizens of different regions was mooted by our Prime Minister Shri Narendra Modi ji on 31st October, 2015. The EK Bharat Shreshtha Bharat Engagement Matrix between States and UTs for the First year would be Puducherry : Daman & Diu

OBJECTIVES

The broad objectives of the initiative are as follows

1. To CELEBRATE the Unity in Diversity of our Nation and to maintain and strengthen the fabric of traditionally existing emotional bonds between the people of our Country;
