A Five-Day Citizenship Training Camp was organised for our B.Ed. student-teachers 2019-2020 batch to ignite a spark of citizenship in their mind and soul.

Our College organised A Five-Day Citizenship Camp for inculcating a sense of citizenship to the student-teachers and to kindle qualities like team work, co-operative living, fellow feeling, like-minded towards various cultures, empathy and sympathy towards others, simple living, etc.

The Five-Day Camp commenced with Inaugural Programme and the Principal of the College, Dr. S. Chamundeswari, welcomed the chief guest, Dr. E. Uma, Head, Department of Physical Education, Queen Mary’s College, Chennai and Dr. V.T. Vadanayagam, Directress of Physical Education, pronounced the objectives of the camp to the student-teachers.
In the oncoming days, as a part of Citizenship Camp, the student-teachers were given lectures on Citizenship and Value Education. They were given exposure to the pathetic conditions of Senior Citizens at Old Age Homes and Orphanages. The student-teachers realised that they should never abandon their parents during their old age. They were made to understand that changes in lifestyle should not result in unhuman behaviour. In one of the days, the student-teachers were given hands on training to indulge in craft work and the same were organised as a Craft Exhibition. The student teachers participated in many cultural events like music and dance. On the final day of Five-day Citizenship training programme, there was camp fire, wherein the student-teachers-teachers displayed their latent and inherent talents.
