Dr. A. Venkatesham, vice principal, preside over EBSB day celebrations. K. Sreedhar, nodal officer and EBSB members participated in the EBSB day celebrations. Students shared their views and experiences on EBSB activities.

In that occasion Dr. A. Venkatesham said that India is a mini continent which has different flora and fauna, and has more than 120 main languages, 1500 other languages & dialects. To maintain harmony in India one should respect others cultures and customs, for this purpose our Prime Minister Sri. Narendra Modi initiated this EBSB. He expressed his happiness that Tara Govt. College Sangareddy (A) students became a part of the programme and wished the students.
