

EK BHARAT SHRESTHA BHARAT PROGRAMME UNDER AZAADI KA AMRIT MAHOTSAV

Report by Group 2 students of St. Anthony's College, Shillong, Meghalaya.

ACTIVITY: FOOD AND FESTIVALS OF MEGHALAYA

On 2 March 2022, we, the members of Group 2 from St. Anthony's College, Shillong, Meghalaya and Group 2 from St. Claret's College, Arunachal Pradesh along with other students from both institutes assembled on an online platform through Google Meet for our respective presentations.

The entire session was held under the direction and management of Nodal Officer of St. Anthony's College, respected Mrs. Irilang Lyngdoh Mawlong and Nodal Officer of St. Claret's College, respected Mr. Tage Tagyungs. We kick started the session with our presentation on Food and Festivals of Meghalaya with an introduction followed by the central subject of the topic, i.e., the famous dishes and festivals of the tribes of Meghalaya including the Khasis, Garos and Jaintias.

The presentation ended on a thankful note for this gratifying opportunity provided to us by the Ek Bharat Shrestha Bharat initiative under the Government of India. There was a follow-up of questions by the students clarifying their doubts and queries regarding the presentations. We were asked about the specialties of our tribes, food and culture. However, due to some technical errors and poor network connectivity, the Group 2 members from St. Claret's College were unable to showcase their presentation.

The session finally concluded with an exchange of useful knowledge and gratitude. Further, everyone was really excited and looking forward with anticipation for the upcoming presentations by the other groups.
