## ESSAY WRITING

Essay Writing is a regular co-curricular activity which is conducted at St.Martin's Engineering College with a view to improve vocabulary and writing skills of students. During Rashtriya Ekta Diwas celebration institute conducted essay writing competition. Event started at 2.00PM. Our beloved Principal Sir, Dr. P Santosh Kumar Patra inaugurated the competition. He talked about the importance of English in engineering field to express their views and ideas in effective manner. Many students from various departments participated in essay writing competition. Winners were awarded with cash prizes.
