International Webinar on WRITING WITHOUT PLAGIARISM

The PG and Research Department of Computer Science organized an International webinar on “WRITING WITHOUT PLAGIARISM” on 10.06.2020 from 11.00 a.m to 12.0 noon. Plagiarism has become a buzzword for research paper writing and it is the need of the hour for contemplating quality in research. The session was handled by the eminent Resource person Dr. C. Prasanna Ranjith, faculty and Chairperson Information Technology Department, Shinas College of Technology, Sultanate of Oman. The session was very informative to the budding research scholars to impart quality in research. A doubt clearing session was also arranged for 15 minutes. Many Scholars and Research Supervisors took part in it. 300 participants across the country from Delhi, Gujarat, Maharashtra, Karnataka, Andhra Pradesh etc., and from Sultanate of Oman registered for the seminar. The session was conducted using zoom and the video was also streamed in Youtube. The feedback form was also collected for collecting comments from the stake holders.
