

To,
The HOD,
P.G.Department of Computer
Science, SNTD Women's University;
Santacruz (w), Mumbai.

Subject: Report on activity of EBSB Day celebration from dated 3rd June 2020.

SNTD MCA Department , Juhu conducted a Webinar on 3rd June 2020 for 1st and 2nd year students. The objective of this activity is "Ek Bharat Shreshtha Bharat" activities were conducted by institutions under D/o Higher Education in digital format in view of COVID- 19 reg.

There were 4 activities in which this was activity no 1 is about EBSB Club/EBSB Day celebration once in month as Maharashtra state interacted with Odisha state . So in this EBSB Day celebration activity the students participated in large numbers. The webinar was conducted with an objective to know more about both the states. Students were given a topic related to National importance /important to both states /academic in which they chose scientists belonging to both states and had come with PPT presentations related to the topic.

The girls who presented are:

- 1) Sakshi Shetty
- 2) Deepali Kondavale
- 3) Mira Patel
- 4) Khyati Solanki
- 5) Jayanti Dikshit
- 6) Jaanvi Kanstiya

Images of the webinar are attached below:
