April is a month of celebrations in Kerala. In our state Hindus celebrate Vishu, Christians celebrate Easter and Muslims observe Ramzan fast in April. The EBSB club observed the uniqueness of April month by conducting an art work contest named DHAKSHATHA , a platform to show off creative and artistic skills by online. The theme was the heritage and culture of Kerala. Contest helped to overcome the boredom of the lockdown period. About 13 students participated in the contest. Ms.Henan, S3 CE won the first prize. Club member Mr.Ajmal handed over the cash prize and certificate to the winner.
