International Yoga Day

Date: 21.06.2020  Time: 06:30AM to 07:50AM

During a pandemic like Corona, it is very important that one keeps a good immunity level and as one cannot step outside for exercises because of nation's lockdown, one should resort to some form of physical activity that can be performed indoors. Yoga perfectly contributes to both the needs of the time and that's when it came to my mind that the Yoga sessions that were once conducted on campus before lockdown, should be continued online as well.

On account of International Yoga Day an online Yoga session was organized by our Ph.D scholar Ms. Sandhya CSR, LEVEL-2 Yoga Teacher certified by QCI-Ministry of Ayush, Govt of India.
