

REPORT FOR THE MONTH OF JUNE **FRIENDLY QUIZ CONTEST**

“Learning never exhausts the mind.” On the onset of June , a friendly quiz was conducted through the platform of google forms . This activity helped the students to gain knowledge about the paired state - Sikkim , in a non-competitive manner . This activity was voluntarily open for the first and second year students where an active participation was observed from students of both years . Under the guidance of our faculty Ms. Rachna Chandan the quiz was framed and conducted.

The questions put forth were captivating, exciting and made the students learn new facts and knowledge about Sikkim and its culture . This competition was a friendly battle.

The college is glad as a success in bringing online platform for students to come together and ponder upon the culture of a diverse country like India to sharpen their knowledge and skill towards a new culture and its traditions .The student’s patience was appreciated and would be considered forward for their continued interest in such future events.
