Event Name : Exploring Odisha

College : Thadomal Shahani Engineering College, Bandra, Mumbai
Date : 26\textsuperscript{th} July 2020

Odisha, home to the 'Temple City of India', is a state of plentiful culture, history, heritage, and tradition. There are a number of stories and folklore, which are testament to this rich diversity.

⭐ These aspects have played a monumental role in sowing the seed of a 'peace loving' society among its people, and instilling communal harmony.

To highlight these facets of the state, the *EBSB Club of Thadomal Shahani Engineering College*, is pleased to announce its next event: “Exploring Odisha”

The details of the event are given below:

- "Each team can have 3 members."
- Each team will have to select one category from the options given.

The categories that teams can choose to speak on, are as follows:

1) Culture
2) Cuisine
3) Dance
4) Heritage
5) History
6) Religion
7) Stories and folklore

Students can watch videos, and collect information related to the selected category.

For the presentation, the participants will then have to prepare a PPT of 4-5 slides and speak on it, for 3-5 minutes.

Come, share your knowledge, and showcase your oratory skills!
