Report of the activities done in May 2020

Due to the national lockdown declared by Govt. of India EBSB club changed its activities to online media. Since it is Pandemic situation of COVID 19, apart from the regular activities related to Himachal Pradesh, we focussed our attention on activities related to COVID 19, lockdown, social distancing, Efforts of Doctors, Nurses, other health workers and Police etc. The club conducted a COVID 19 related poster preparation among the students. We selected about 9 posters among the various posters prepared by members. The themes of the posters were the following

Stay Home stay safe, Gratitude to doctors, nurses and Police for their effort during COVID 19 pandemic, Use of Mask and sanitizer, Social distancing etc.
STAY AT HOME
