# EBSB REPORT

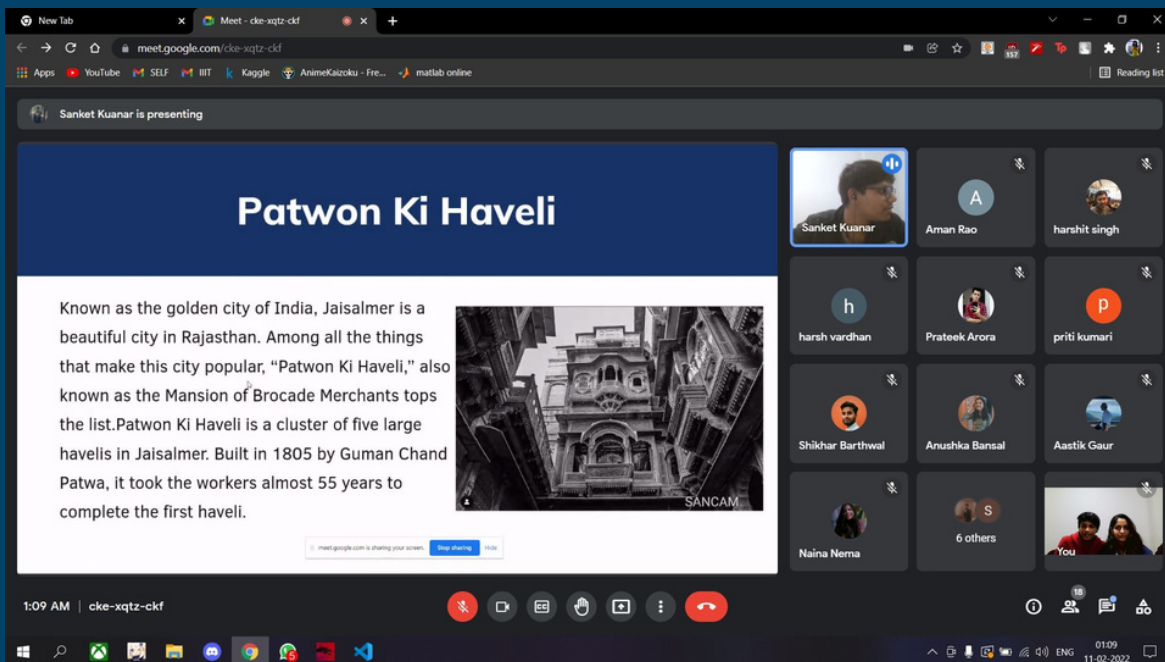

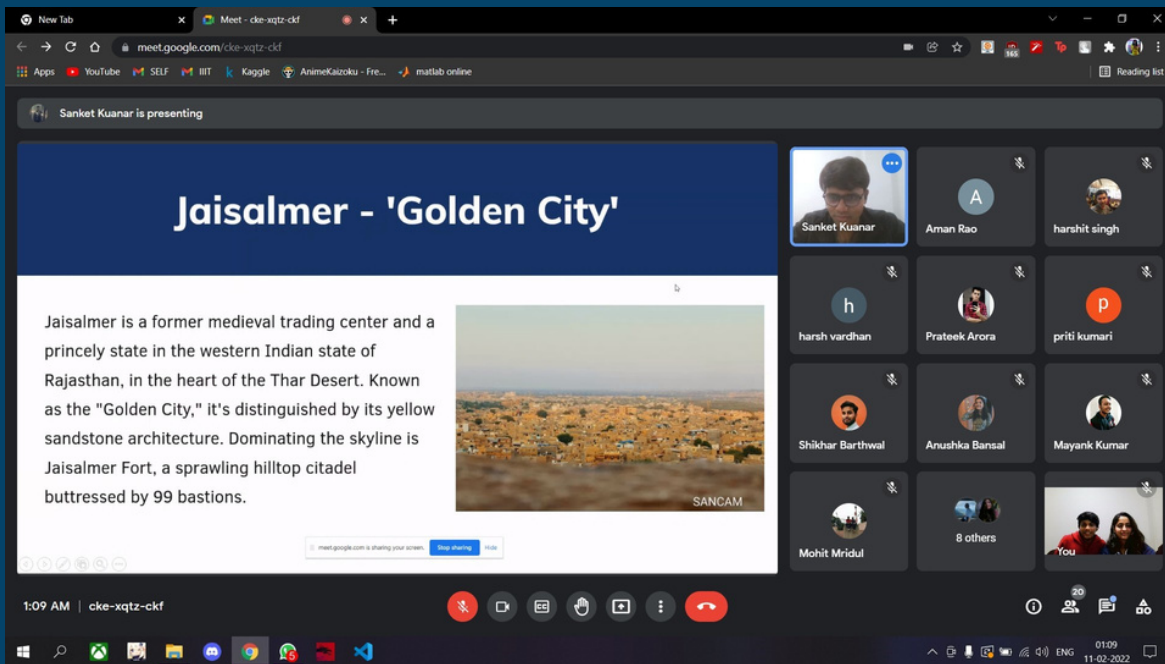

An Online Dissemination of information about the Paired state of Rajasthan was conducted under the IIITG Cultural Board on 11-02-22. It was a talk show on the places in Rajasthan and Assam. It was a very interactive session and a fruitful discussion on the architecture, culture, and photography of both states. Students learned a lot about both the state's, artifacts and history through visuals.

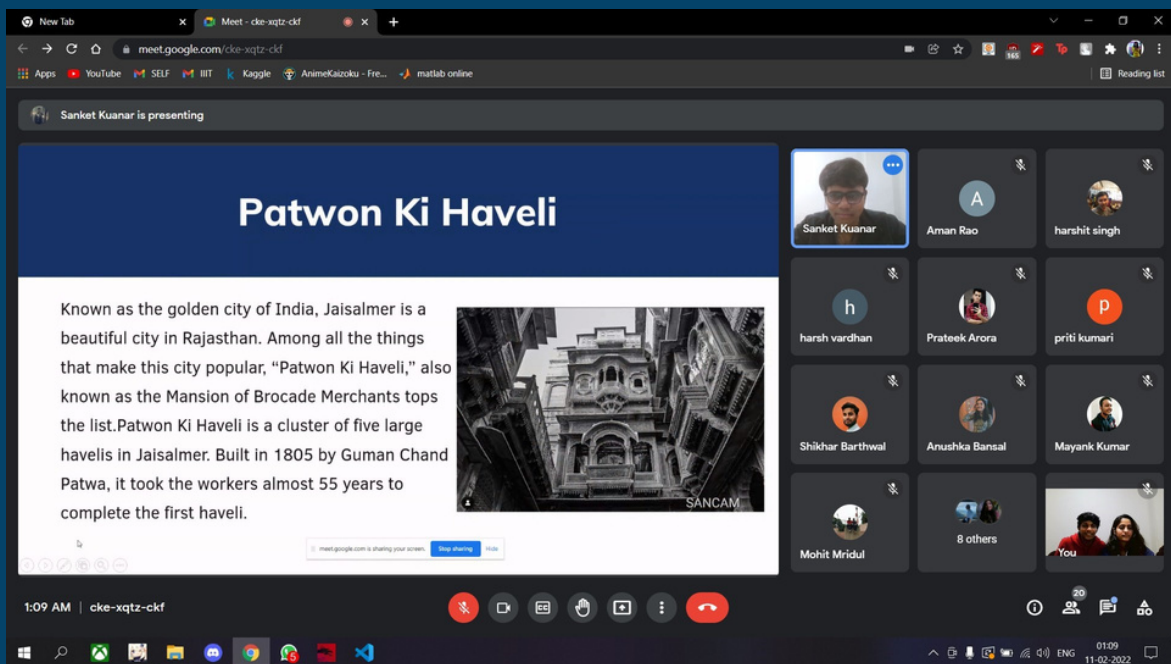

The Event was held under the Cultural Board of the IIITG Student Gymkhana Council by the Photography Club- Portraiture. Sanket Kuanar and Vaishnav Tompey coordinated the event and disseminated the information on Rajasthan and Assam using pictures of famous buildings, locations and other cultural relevant details. Dr. Kukil Khanikar Associate Faculty Coordinator, monitored the event. Dr. Suranjana Barua, Associate Dean-Student Affairs and Student Affairs office facilitated the EBSB dissemination activity.

More than 20 students from the institute participated in the discussion on the states, its culture and history. Further discussions were held in the online platform since the institute is partially open due to the Covid19 situation.
