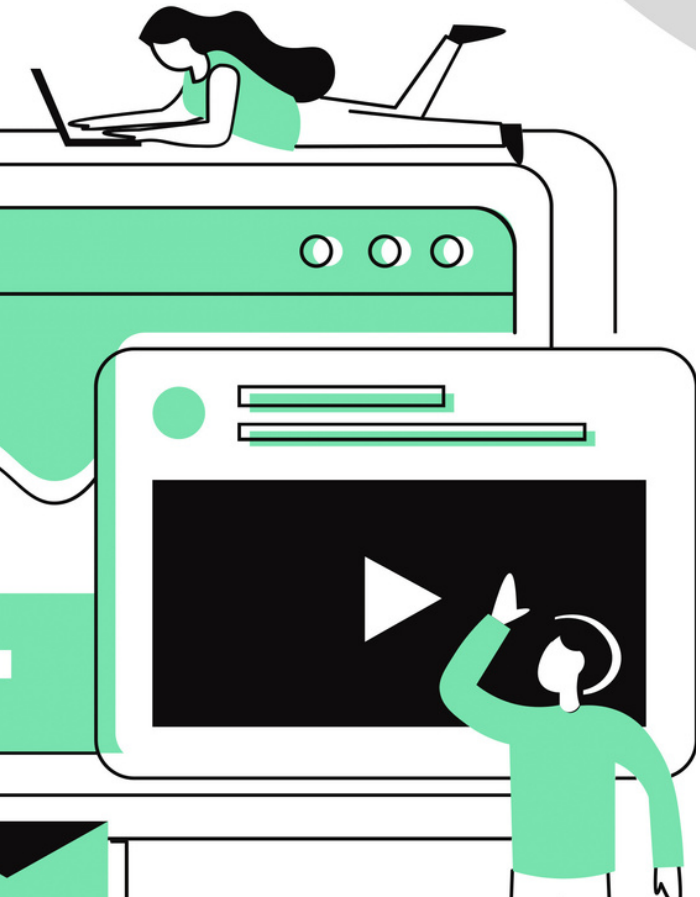
**Prizes under each theme**

-2500₹

-1500₹

-1000₹



## ABOUT THE EVENT

## OBJECTIVE

The Objective of the Hackathon was to bring the students of IIIT Guwahati and IIIT Kota towards working on a concept regarding the promotion of Tourism and conservation of Water.

## THEME-TINK-A-THON

The themes were Tourism and Water Conservation. The initiative was to highlight the tourist destination of both the states and the possibilities of promoting and learning from the tourist destination. Secondly, since Rajasthan encounters water crisis and Assam has many water bodies, this hackathon attempted to promote the ideas on conserving for the future use.

## ORGANISERS

Programming Club, IIITG organised. The caretaker Technical Board Secretary conducted the event along with its Faculty Coordinators Dr. Barman and Dr. Tripathi. EBSB coordinator Dr. Lal was part of the planning of the event. The event was conceived in February 2022 and the results were announced in the first week of March 2022.

# PARTICIPATION

Students from both IIIT Guwahati and IIIT Kota participated in this Hackathon. There were a total of 20 Teams registered. However, a total number of 7 submissions were received.

## Event Judges

All the submissions were judged by the judging panel.

Judging Panel:
1. Dr. Kaustuv Nag, Assistant Professor, IIITG
2. Dr. Rohit Tripathi, Assistant Professor, IIITG
3. Dr. Arjab Roy, Assistant Professor, IIITG

# PRIZE MONEY & CERTIFICATES
