**Report Description:** On the Heels of Constitution Day, the Ek Bharat Sreshtha Bharat initiative club of NITIE, Mumbai in association with the Ministry of Indian Education, organized a pledge-taking ceremony on Cleanliness Drive on November 30th, 2022.

This event was an attempt to create awareness amongst the students and employees of NITIE about cleanliness, Swachh Bharat Abhiyan and its role in nation building.

### **Pledge, taken at the Event:**

I take this pledge that I will remain committed to cleanliness and devote time to this.

I will devote 100 hours per year, that is two hours per week, to voluntarily work for cleanliness.

I will neither litter nor let others litter.

I will initiate the quest for cleanliness with myself, my family, my locality, my village, and my workplace.

I believe that the countries that appear clean are so because their citizens don't indulge in littering, nor do they allow it to happen.

With this firm belief, I will propagate the message of the Swachh Bharat Mission in villages and towns.

I will encourage 100 others to take this pledge I am taking today.

I will endeavour to make them devote their 100 hours to cleanliness.

I am confident that every step I take toward cleanliness will help make my country clean.
