Commonly houses are built by bricks and Danga, Jupdi.

Traditional instruments:

Harmonium, tabla, Dhol, piano etc...

Manjira
My Experience:

We have enjoyed in the RIE Bhopal, we had a lot of fun with our friends. The foods here are very delicious and healthy. It becomes a habit to walk daily from hostel to food court and somewhere else. All the participants here are very friendly to us. We enjoyed by seeing the different states of dance, vocal and instruments. It is a nice chance to know about all the culture of the states. Yesterday, the camp time was wonderful, we have enjoyed and played with our friends. This is the wonderful biggest event in my life which I never experienced in my life time. This is my sweetful memories. I won't forget this marvelous extraordinary event which I have participated. I am requesting that the NCERT and MHRD should continue and develop this to a world wide
competition.
