Report on Essay Writing Competition

EBSB Cultural Exchange Programme between students of all over the country under the flagship of “**Ek Bharat Shrestha Bharat**” (EBSB) has projected a platform for the students of educational institutes in order to escalate mutual bond and celebration of cultural plurality and diversity of our multi-colored country. Our Government Engineering College, Daman, has conducted an Essay competition, wholly based on the historical and contemporary issues of national importance from both Daman & Diu and Pondicherry. The competition was held on 27.01.2020 in the college and the total number of students includes twelve with sportive participation and active interest.

The programme went successfully and the students learned while exploring their innovative views through essay writing.
