**DATE: 31-01-2020**

On 31<sup>st</sup> January, 2020 L.E.College Morbi (Diploma) has organized an event for taking pledge regarding Swachhh Bharat, Save Water and Avoid single use plastic. There were 45 students of different branches. There were five resource people also. All the participants enjoyed a lot. The following pledge was taken by the participants.

Mahatma Gandhi dreamt of an India which was not only free but also clean and developed. Mahatma Gandhi secured freedom for Mother India.

Now it is our duty to serve Mother India by keeping the country neat and clean.

- I take this pledge that I will remain committed towards cleanliness and devote time for this.
- I will devote 100 hours per year that is two hours per week, to voluntarily work for cleanliness.
- I will neither litter nor let others litter.
- I will initiate the quest for cleanliness with myself, my family, my locality, my village and my work place.
- I believe that the countries of the world that appear clean are so because their citizens don't indulge in littering nor do they allow it to happen.
- With this firm belief, I will propagate the message of Swachhh Bharat Mission in villages and towns.
- I will encourage 100 other persons to take this pledge which I am taking today.
- I will endeavour to make them devote their 100 hours for cleanliness.
- I am confident that every step I take towards cleanliness will help in making my country clean.
- I will never waste water.
- I will not contaminate our drinking water.
- I will not pollute our precious water resources.
- I won't hesitate to tell my neighbors and others the sad state of water in our holy rivers, lakes, tanks, wells, and streams, and request them not to pollute them.
- I pledge to conserve every drop of water that I can every day of the week.
- I pledge to avoid single use plastic bag
- I carry cloth **bags** instead of **plastic bags**, and not to discard any **plastic** material in the open.
