

Report On All India Radio Talk Show (11/Feb/2020)

Ministry of Information and Broadcasting is organizing "Ek Bharat Shreshtha Bharat" program across the country which will last till Nov 2020. This program is an initiative which reflects unity in diversity along with cooperative federalism to encourage unity throughout the country.

Under EBSB various steps has been taken by all the educational institutes of our country under which the strengthening of relationship between Rajasthan and Assam is conducted.

There are a lots of students from Assam who are pursuing their education from **MNIT Jaipur** in the field of engineering and architecture who are now well acquainted with the colorful culture of Rajasthan.

Rithvik Prasad from Kabrilong, Assam described the beauty of magnificent forts and palaces and is quite impressed with their architecture as well as with the Rajasthani attire. Further he adds that he came across people wearing turbans and dhotis in different parts of the state which he visited during his stay in Jaipur.

Varshali Brahma who is pursuing her doctoral degree from MNIT Jaipur emphasized on the congenial and welcoming customs of the state. She adores the friendly nature of native and has made lot of friends in and around the campus who also welcomed her whole heartedly at their respective places which gave her better exposure about the hospitality of the state. Also she pointed out the similarity between the status of women's education in both the states by speaking on the fact that women's are encouraged equally in both the states to pursue their education.

These students crossed their state boundaries to acquire higher education in Rajasthan leaving behind their culture, food and ethnicity which they sometimes miss also at a same time it is enriching experience for them to know the culture, heritage and tradition of Rajasthan state.
