Report

Swachhata Pledge – Save Planet Earth

Name of the Activity – Swachchhata Pledge

Activity Start Date – 3rd February 2021

Presenters – Members of EBSB Club, MPPG Govt. College Chittorgarh

Report Description:

The EBSB club of MPPG Govt. college Chittorgarh Conducted Swachchhata Pledge on 3rd February 2021. The pledge was focused on ways in which to save Planet Earth from climate change. It included various measures by which a person can contribute towards climate change. These measures included – preferring public transport cycling or walking over own vehicle whenever possible, switching off electric appliances and lights when not necessary, using LED bulbs over other bulbs, avoiding printing paper copies and use digital copies wherever possible, preferring reusable products (bags, bottles, cups), minimizing food wastage and cook/order only what you consume, making people around you aware about the climate change and encourage them to follow above guidelines.

The initiative was positively taken by students.

Activity End Date – 3rd February 2021

Number of participants who took the pledge – 20

Report name – Swachchhata Pledge by EBSB Club, MPPG Govt. College Chittorgarh
