

National Institute of Technology Calicut

Consolidated Programme Report

Ek Bharat Shreshtha Bharat (EBSB) club of NIT Hamirpur and NIT Calicut jointly celebrated Earth Day on 22nd April 2022 (Friday). The organisers were **Dr. Sudev Das**, Assistant Professor, Dept. of Chemical Engineering, NIT Calicut and **Dr. Shampy Kamboj**, Assistant Professor, Department of Management Studies, NIT Hamirpur.

In this regard, we are conducted a poster-making competition for the students and faculty members of NIT Hamirpur and NIT Calicut on the topic - **“Go Green: Reduce, Reuse, Recycle”**. Regarding this, EBSB club of NIT Hamirpur and NIT Calicut came out with rewarding cash prizes to celebrate the work of the winning participants from both categories, students, and staff. For the same, it carried the following cash rewards separately for both types of students and faculty from NIT Hamirpur and NIT Calicut.

First Prize	3,000
Second Prize	2,000
Third Prize	1,000

An active participation included faculties, research scholars and different student communities are attained in this programme. An around 15 entries and presentation was there which was evaluated by the expert committee constituted for the same. Three winners from each category (Student and staff of NIT Hamirpur and NIT Calicut) were selected and awarded cash prizes separately. The first prize was bagged by Rahul Krishnan B of NITC whereas the second and third prizes was won by Akshara A T and Shilpa Kumari of NIT Hamirpur respectively.

Overall, the programme is a great successful and mind glowing with recent research ideas presented by the participants.
