## **INTRODUCTION:**

The Ek Bharat Shrestha Bharat programme, aims to actively enhance interaction between people of diverse cultures living in different states and UTs of India, with the objective of promoting greater mutual understanding amongst them.

## **About the Event:**

As a member of EBSB club we have conducted a quiz on “Diversity of Indian cuisines“ which consists of a variety of regional and traditional cuisines native to the Indian subcontinent. Indian food is also heavily influenced by religion, in particular Hinduism, cultural choices and traditions. The cuisine is also influenced by centuries of Islamic rule, particularly the Mughal rule.
