**Activity Date – 10<sup>th</sup> October 2020**

**Venue – Online Mode**

#### **Report Description:**

The EBSB club of TAPMI hosted the EBSB day with a webinar on 10<sup>th</sup> Oct 2020 on the topic ‘Adventure sports in Uttarakhand’. Ms. Himani Kandpal, EBSB Club member of TAPMI, conducted the presentation.

The session started by introducing the state as a hub for adventure sports. It included details about the places and the specific adventure sports available there. White water rafting, paragliding, bungee jumping, flying fox, giant swing, skiing, and cliff jumping were the main sports that were explained.

The participants were also familiarised with the facts like Rishikesh, famous city in the state, has the highest Bungee jumping in India and the flying fox, also in the same city, is longest in Asia. Apart from these sports, information about wildlife safari at Corbett National Park was also provided. Average cost and the best time to experience these were explained in detail.

Towards the end of the webinar, some of the trekking spots were explained in brief. The treks covered were- Kedartal, Kedarkantha, Satopanth, and the Valley of Flowers trek.

In the last segment of the webinar, i.e. the question-answer round, participants got their doubts clarified. The session ended on a positive note with all the participants providing positive feedback about the session and showed interest in knowing about these adventure sports in detail.
