**Subject: Report on activity of EBSB Day celebration dated 20 November 2020.**

SNTD's P.G. Department of Computer Science, Juhu conducted activity of video clip creation on 20<sup>th</sup> November 2020 for II year students. The objective of this activity is "Ek Bharat Shreshtha Bharat" activities were conducted by institutions under the D/o Higher Education in digital format in view of COVID- 19 reg.

This activity is based on the *Diwali Festival* in which students were asked to create a video clip which displays how both the states Maharashtra and Odisha celebrates the Diwali festival. One-week time was given to students to make video. For this activity, groups are created and responsibilities are assigned to each group member accordingly they made a video, narrating in Odiya and Marathi languages, and displaying the celebration of the Diwali festival in both states.

In the video, the students have narrated about the rituals and traditions followed by both the states individually and how the state has its authentic foods, dance forms, etc. It also states the current pandemic measurements taken by the state authorities to celebrate this year's Diwali festival. Students have added English subtitles in the video, for better understanding of the narration in the video.

This activity was conducted under the Help of Dr.Anita Chaware, Head of the P.G. Department of Computer Science and coordinated by Ms. Mamata Barve.

The girls who worked on this activity are:

1. Sabita Mohanty: Sabita Mohanty is a native from Odisha.She took part in narrating, collecting information, script writing. She narrated in Odiya language.
