Group Discussion on “Modernization: a boon or bane for Indian culture”

in collaboration with

G. B. P. Institute of Engineering & Technology

Name of the Activity – Group Discussion on ‘**Modernization: Boon or Bane for Indian Culture**’

Activity Date: 17th October 2020

Venue: Online mode

Report Description:

The EBSB club of TAPMI took part in the fifth joint webinar with G. B. P. Institute of Engineering & Technology on 17th October 2020. Teams from both the institutes took part in a group discussion on ‘**Modernization: Boon or Bane for Indian Culture**’. There were ten participants, which included 6 from TAPMI and 4 from G. B. P Institute of Engineering and Technology. Ms. Pragna Moldireddy, EBSB member from TAPMI and Ms. Bhumika Goswami, EBSB Club member of G. B. P. Institute of Engineering & Technology, moderated the discussion.

The discussion consisted of two rounds. Each participant was given 1-3 minutes to put forward his or her arguments in the first round. The second round was free round where participants can enter the discussion on their will.

The discussion was started by a brief introduction about the topic by the moderators. Then the participants spoke about the common superstitions that we generally follow in our day-to-day lives and their impact on the society. Then, the history of modernization with emphasis on sticking to our roots was brought up.

Towards the end of the discussion, the moderators highlighted all the key points of discussion and concluded the session with on a pleasant mood. All the participants
