Group Discussion on “National Education Policy (NEP) and its impact”

Name of the Activity – Group Discussion on “National Education Policy (NEP) and its impact”

Activity Date 28 November 2020

Venue: Online mode

Report Description:

The EBSB club of TAPMI organised a group discussion among its peers at TAPMI on the topic “National Education Policy (NEP) and its impact”. There were fourteen participants from TAPMI. Mr. Shyam Shankar S; EBSB member from TAPMI moderated the discussion.

The discussion consisted of two rounds. Each participant was given 1-3 minutes to put forward his or her arguments in the first round. The second round was free round where participants can enter the discussion on their will.

The discussion was started by a brief introduction about the topic by the moderator. The basic changes and new amends brought out by the National Education policy were discussed. Then the participants spoke about impact of 5+3+3+4 system in place of earlier 10+2 system. The pros and cons of the inclusion of articleship was discussed. Whether this approach would increase the skill set and practical knowledge of students or decrease the enrolment rates at schools. There were contradicting views from participants on the addition of programming for schoolchildren. The multi-disciplinary and credit based approach in under graduation was also brought up. The discussion then took direction towards the unemployment issue the country is facing and how NEP can fill the gap between the school education and job based skills.

Towards the end of the discussion, the moderator highlighted all the key points of discussion and concluded the session.
