# QUIZ ON GOA

5<sup>th</sup> March, 2020

The EBSB Club of Nirmala College Ranchi organised its second activity - Quiz on Goa, on the 5<sup>th</sup> of March 2020 in the conference hall of the college campus at 10 am. The activity was presided by the Principal Dr. Sr. Jyoti, Vice Principal Sr. Shobha, the EBSB coordinator Nirmala College Dr. Debjani Roy and the EBSB club coordinator Dr. Sreerupa Roy. The event was attended by the faculty club members, student members and other students from various departments.

Principal addressed the gathering with her encouraging words. She expressed that with the on-going activities, she felt closer and familiar to the pairing state of Goa and this was the same with most of the students and teachers as well. Understanding the various aspects of Goa makes the feeling of *vasudhaiv kutumbakam* reinstated. She appreciated the initiative of MHRD through the EBSB program in bringing us closer to the other cultures and thus uniting us into the same fabric despite the diverse cultural countenance. She encouraged each member to hold on to the essence spread through this initiative to imbibe and practise the philosophy of *vasudhaiv kutumbakam*.

There were 7 groups of 4 participants each. The teams were named as violet, indigo, blue, green, yellow, orange and red. There were 4 rounds with the first and second rounds of general questions on history, culture and current affairs of Goa. The third was an audio-visual round and the fourth being the rapid-fire round with 4 questions open to all the 7 teams. Each question carried 10 points for a correct answer and 5 points for a question that was passed. Each team was given a time of 10 seconds to answer a question. Questions that could not be answered by a team were passed on to the next team only.

The quiz was conducted by Dr Hansa Das, Dr. Pinky Pandey and Mrs. Sonali Sinha who made the quiz interesting and very informative. The enthusiasm and interest of the students to learn about Goa, seen in the high number of correct answers, was commendable. Team **RED** won the first prize, Team **YELLOW** followed with the second prize and team **BLUE** secured the third position.
