

The **EBSB club** in collaboration with IIC, Tourism Club and NSS of **St. Xavier's College for Women Aluva Kerala** initiated two '**lock down campaigns**' as part of our online outreach program from April. '**Lock down Redesigns**' campaign gave an opportunity to the stakeholders to unlock their myriad of talents. We received many entries which included art, craft, micro green farming etc. The second campaign named '**share the care**' covered faculty's children and student's family members. The campaign is still on and we are receiving good responses.**(Activity from April to June)**

**Expressing solidarity with lockdown you can share
your creativity from pencil to pot
(drawings, caricatures, cartoons, paintings, bottle arts,
stitchings, crafts, micro greens etc)**

**Email your lock down arts and crafts to
srstellactc@gmail.com and be a part of lock down re-
design campaign**
