Pledge on Swachh Bharath

The EBSB club of Vidya vardhaka College of Engineering made all the faculty members and students of the institute to take pledge on Swachh Bharath on 12th March 2020. Dr. B Sadashivegowda, Principal of the institute gave the pledge.

Mahatma Gandhi dreamt of an India which was not only free but also clean and developed .Mahatma Gandhi secured freedom for Mother India. Now it is our duty to serve Mother India by keeping the country neat and clean.

I take this pledge that I will remain committed towards cleanliness and devote time for this.

I will devote 100 hours per year, that is two hours per week, to voluntarily work for cleanliness.

I will neither litter not let others litter.

I will initiate the quest for cleanliness with myself, my family, my locality, my village and my work place.

I believe that the countries of the world that appear clean are so because their citizens don't indulge in littering nor do they allow it to happen.

With this firm belief, I will propagate the message of Swachh Bharat Mission in villages and towns.

I will encourage 100 other persons to take this pledge which I am taking today.

I will endeavor to make them devote their 100 hours for cleanliness.

I am confident that every step I take towards cleanliness will help in making my country clean.

We pledge together, we pledge to each other and we pledge to ourselves.
