Report on essay writing competition

Dt:19-02-2020

An essay writing competition on “culture & tradition of India” has been conducted to elicit the knowledge of the students about different types of communities, region & diversity in India. The students participated very actively and expressed very exhaustively in 20 minutes of time. Totally 28 students took part in the competition. Language & history teachers(4) evaluated the scripts and gave valuable suggestions.

Positive feedback received from students and they felt very fortunate to live in a place with galaxy of culture and traditions but living as one Indian-community
